Neptune's size is currently 180+ members from 63 countries and still growing. If you are a seafreight consolidator, this is the network to expand your business partnerships worldwide.

MARKET COVERAGE

Neptune has 188 Seafreight Forwarders and Consolidators from 63 Countries

BENEFITS

Neptune offers a variety of benefits to its members, which allows a trusted and efficient environment to discuss and develop business opportunities. Take advantage of these powerful tools -- join the network now and be a qualified NEPTUNE member.

DISTRIBUTION OF AGENCY LIST WORLDWIDE

The Neptune Network Agency List is publicly distributed worldwide. Our members and the network marks a global presence in different global logistics events:

PAYMENT SECURITY WITHIN THE NETWORK

We want to make sure that our members are paid for their efforts and that all charges due within the organization are paid off in time. To address this issue, we promote the "Neptune-Safe" program as a safety-net for our members.

- Pool member's fund in a yearly basis
- USD 5,000 is immediate payment security
- Increase to USD 10,000, once you are 3 years with the network

By having such a program, we increase the confidence of members to work within our alliance rather than loose outfits. The insurance coverage is offered to our members upon approval of membership.

Security within the network = Peace of mind

ONLY WORK WITH TRUSTED AND SCREENED MEMBERS

When joining the group, companies that have applied have to undergo a screening process. The screening process will touch primarily on the applicant's financial standing, length in operation, reputation in the market and sales strength. The members are likewise subjected to a standard Code of Ethics and Guidelines.

IMMEDIATE GLOBAL NETWORK COVERAGE

Where are we represented?

Neptune is represented virtually everywhere in the world. Our partners are experienced, reliable and efficient.

ASIA	EUROPE	AMERICAS	AFRICA	MIDDLE EAST	PACIFIC

NEPTUNE EXCLUSIVE DISCOUNTS TO RW SOLUTIONS LTD OPEN EVENTS

One of the benefits of being a Neptune member is you'll get the chance to receive exclusive discounts to RW Solutions' global open networking conferences worldwide.

To know more about this, you may contact our Network Administrator, Cyrene Mendoza at info@neptunecargonetwork.com

SEPTEMBER 29 - OCTOBER 2, 2020
SHANGRI-LA BANGKOK, THAILAND

MEET PARTNERS FACE TO FACE

To build trust among partners, you must meet them face-to-face. The yearly meetings have to be attended by Neptune members to ensure their activeness within the organization. If a member has not been active, the company is considered to be disqualified.

Our Marketing department is highly knowledgeable and experienced to ensure a comfortable and professional experience for your networking and business development time with your partners.

Through our conference management, we reduce your costs of travelling from country to country; developing agencies. At Neptune conferences, we provide the world to your hands.

NEPTUNE CARGO MILES

We have recently launched this Neptune Cargo Miles as one of the network's benefits to offer an additional profit share to our members.

Under this scheme, shipments within the network are rewarded with USD 5/cbm for LCL shipments. The program continuously motivates and drives new business within the network since members are encouraged to prioritize their co-members for new business opportunities and new cargo nominations.

GLOBAL BRANDING

Neptune gives you the opportunity to sell the concept of being a part of a global network and having the potential of being bigger than any multinational competitor in the current market. Neptune will equip you with specific tools and solutions wherein you will excel in sales and marketing.

To promote the network as well as its members, NEPTUNE has attended multiple events worldwide since 2016, including Intermodal Asia 2016 in Shanghai, China; the JCTrans Global Freight Forwarders Conference in Guangzhou, China and Thailand; FIATA World Congress in Ireland, Malaysia and India; The Freight Summit in Indonesia, Malaysia and Vietnam; BreakBulk Asia in China and Intermodal South America in Brazil.

PAYMENT PROTECTION GUIDE

The live payment monitoring system allows our Neptune Secretariat to capture any late-payment incidences and inform the network of any irregularities. All members are sent a monthly PDF of the Network Security Agency list, which highlights the updated status of every member. By having this system in place we are able to vastly reduce the network's exposure to wrong intended forwarders and keep our striving community of forwarders going.

The Neptune Security Fund is governed by the following guidelines:

1. Prior to transacting with Neptune members, please verify from the network agency list that your partner is in good standing.
2. Send pre-alerts (HAWB, MAWB, and Billing) within 14 days of shipment
3. Agent to submit a statement of account (AR/AP) within the first 10 days of each month
4. Members must be updated with membership payables
5. The agent must pass the screening process of Neptune
6. Agents must file a late-payment-report within 45 days of transaction.
7. Only Neptune members are eligible for security claims. Expired member status is not entitled to submit claims to Neptune.
8. The Neptune security blanket covers for invoices within a maximum of 45 days before the claim date. Neptune does not provide coverage for shipments with payment terms of more than 30 days.
9. Immediate dispute protection is covered up to USD 5,000 per member and will increase to USD 10,000 after your 3rd year in the network with a self participation of 10% of the total claim amount.
10. The lower coverage of two transacting agents is considered for claiming purposes. Charges that have not been mutually agreed to prior to any shipment are excluded from the payment security.
11. The NEPTUNE payment security will only cover up to 50% of the claim amount, if the claiming agent is part of other freight forwarding networks and 0% if both parties (claiming agent and other party) involved are both members of same network outside NEPTUNE.
12. Any single transaction/invoice beyond USD10,000 is not eligible to claim
Security coverage is only granted to members that have attended the latest conferences. Neptune reserves
13. the right to refuse any claims from members who have not attended the last conference.
Only invoices relating to the offices/cities that are registered will be eligible to participate in this fund
i.e. if a company only registers its Hong Kong office, but has several other offices in China, only invoices covering
14. freight originating from/destined to their Hong Kong office will be considered as eligible.
15. Neptune does not cover for disputes caused by service errors
16. Neptune only covers for freight charges
17. Neptune reserves the right to update the above terms at any time.
18. For payment issues that have been resolved, the payee will undergo a 60-day probationary period, for the purpose of payment monitoring. The Neptune Management has the right to downgrade payment status of members with payment issues. This is to ensure that the entire Neptune is kept safe.
19. Neptune Cargo Network is not in charge for the collection/collecting of the payment between the agents. This is solely the responsibility of the parties involved.
20. Neptune Cargo Network does not recommend to provide more credit than the security coverage provided and that any amount beyond is at their own risk.

NETWORK AGREEMENT

Neptune members maintain a professional working relationship amongst each other by adhering to the Network Ethics and Guide.

- To pay all monies due members in a timely manner (standard: within 30 days, unless otherwise agreed upon in writing)
- To be active in sales endeavors for mutual growth
- To attend annual conferences of the alliance to ensure activeness of members within the organization
- To respect other members' existing customer bases and refrain from back selling
To reflect the true cost of all rates quoted from the Neptune Member to Neptune Member for common markup and profit sharing, should the cost change (even during shipment) the NEPTUNE agent partner/s must update accordingly. Overcharging is considered unethical within Neptune and Neptune reserves the right to expel members with unethical practices.
- To provide bona fide sales leads when possible
- To be properly staffed for the highest level of service
- To operate in accordance with all stated shipping advice
- To promptly respond to all communications (standard: within 24 hours)
- To quote rates in full detail in a timely manner
- To share freight profits 50/50, unless otherwise agreed upon in writing
- To seek the help of Neptune administration for dispute resolution.
